

Dear Parents & Caregivers

## 2018 International Competitions & Assessments for Schools (ICAS)

These competitions take place each year in schools throughout Australia, New Zealand, Singapore and neighbouring countries. They provide an opportunity for students to gain a measure of their own achievement in external assessment situations.

All students receive a certificate and an individual results letter indicating which questions they answered correctly.

Your child is invited to take part in the following competition(s). Please tick the competition(s) your child will be entering and enclose payment for **each test entered** by the closing date of **Tuesday 1 May**.

### Digital Technologies (closing date Wednesday 21 March)

Science    Spelling    Writing    English    Mathematics

No formal teaching is provided for the sitting of these examinations: it is up to the individual student to access the EEA Website to acquire past papers. ([http://www.eaa.unsw.au/past\\_papers](http://www.eaa.unsw.au/past_papers)).

**Please note – Late entries cannot be accepted.**

If you wish your child to participate in any of the exams, please return to the school office prior to **Tuesday 1 May; (NB. Digital Technologies entries/payment closing date Wednesday 21 March)**

- Return slip below
- Please place in a sealed envelope with Student's Name, Room number and Year Level (7 or 8)

---
